‘A Spoonful of Sugar’

“A spoonful of sugar helps the medicine go down.” Mary Poppins

Pop music, culture and art (in its latest guises) may be known for its shallowness, blandness and mass production, but I have long seen it as a genre open to subversion. Being the diametric opposite of earnestness, pop has always sat well in my arsenal as I’ve confronted this world and all its anomalies.

Who says sugar is bad for you?
